TOTAL Improvements					
FEE	0.02 X Total Improvements Amount				

Instructions

1. This form is to be completed and submitted with the Engineering Drawings. The Calculated fee must be paid prior to drawings being stamped approved.
2. For developments with private streets and private drainage improvements, attach a copy of the signed inspection contract from the Civil Engineering firm providing the services or execute inspection services acknowledgment.
3. Fee Refund: A 75% refund will be approved if the project is cancelled and no work has commenced. After a refund is given plans become void. Once work commences, no refund will be given.
4. For those items that do not have a standard unit price figure, the Engineer may provide the unit price based on appropriate estimates.
