STREET ADDRESS OF PROPERTY: _____

PROPOSED USE AND LOCATION: _____

i.e. Location is Front yard, Side yard, Rear yard

SUBMITTAL "CHECK LIST"

- 1. Completed General Information form (this application).
- 2. Two (2) sets of plans that include a dimensioned site plan, dimensioned fence/wall sections, and self-locking gate specifications. The plans should be no smaller than 11 x 17.
- 3. Two (2) copies of the subdivision plat. The plat should be no smaller than 11 x 17.

SITE PLAN INFORMATION

Please include the following information on your site plans

- 1. Current address of project and the applicant's and plan preparer's name, address, and phone and fax numbers.
- 2. North arrow and scale.
- 3. Property lines, with dimensions, and the location, width, and description of any easements, including City easements.

- 4. Existing and proposed streets, including names, and existing and future rights of way and improvements.
- 5. Show and dimension all existing and proposed buildings and structures within 20' of the pool. Show distances between the building and swimming pool and distances from swimming pool to property lines, and indicate **all** easement locations. Indicate proposed walls/fences and heights. *Fence or wall height must be a minimum 5' high.*
- 6. Indicate if pool is to be covered.

COMMENTS

1. Please be aware that, if determined necessary by City staff, additional information and/or special studies may be required to review the project. These studies may include, but not be limited to: a soils report, hydrology report, an engineering review, etc.

2. Until the following information is submitted, your application will be considered incomplete:

4. Completion of the Swimming Pool Application and above approvals does not eliminate the necessity of obtaining a building permit, which is required for construction of the project.

5. Blue Stakes must be called at 1-800-662-4111 to have all utilities delineated before ANY construction can begin.

APPLICANT AGREEMENT

I (we) have read and understood the requirements of this application and all information is true and accurate to the best of my (our) abilities.
