

SG Master Transportation & Traffic Study - Improvement Recommendations

Recommended Improvement	Short term (0-5 years)	Mid-term (6-10 years)	Long-term (11-20 years)
Red Hills Parkway - widen to 2 lanes each direction & construct new interchange at Bluff Street	X		
MP 6 (Bluff Street) Interchange - reconfigure SB ramps	X		
Hilton Drive - construct roundabout & relocate to 250 West	X		
MP 6 (Bluff Street) Interchange - reconfigure NB ramps & widen bridge	X		
Southern Parkway Phase 1 - construct new interchange on I-15 at MP 2 & construct new 2 lane road from I-15 to River Road	X		
Southern Parkway Phase 2 - construct new 2 lane road from River Road to the replacement airport access road	X		
MP 4 (Brigham Road) Interchange Phase 1 - modify approaches, signing, striping, tear drop, & add Wal-mart bypass lane	X		
Flying J Frontage Road - relocate east of Flying J & add medians between interchange & relocated frontage road	X		
Brigham Road - widen to 4 lanes	X		
450 North - complete connection from 2450 E to 3050 E	X		
Mall Drive bridge - construct new bridge across Virgin River	X		
700 South – re-stripe to 4 lanes entire length	X		
100 South – re-stripe to 4 lanes entire length	X		
Riverside Drive - widen to 4 lanes entire length	X		
Dixie Drive - widen & improve to 4 lanes entire length & widen Mathis Bridge	X		
1450 South - widen & improve to arterial standard	X		
River Road - widen to 4 lanes from Fort Pierce Drive to Southern Parkway	X		
1000 East - construct extension from Red Hills Parkway to Industrial Road	X		
3000 East - widen & improve to arterial standard from 900 South to 2450 South	X		
Airport Road - extend roadway to Blackridge Drive	X		
Tuweap Drive - complete road from 1500 North to Snow Canyon Parkway	X		
Dixie Drive Overpass - construct overpass over I-15		X	
MP 4 (Brigham Road) Interchange Phase 2 - add 2nd eastbound lane under I-15 & modify east roundabout		X	
Bluff Street/Sunset Boulevard Flyover - construct flyover for SB through lanes		X	
Bluff Street - widen to 6 lanes between St George Boulevard & Snow Canyon Parkway		X	
Bluff Street - widen to 6 lanes between Main Street & St George Boulevard		X	
400 East Overpass - construct new overpass over I-15		X	
I-15 - widen to 6 lanes between MP 2 & MP 10		X	
Red Hills Parkway/Red Cliff Drive Connection - construct new connection over/under under I-15 to connect frontage roads near Mall Drive		X	
MP 8 (St George Boulevard) Interchange - reconstruct to SPUI		X	

Great Northern Corridor - conduct corridor study from MP 13 to SR-18 to identify alignment & begin corridor preservation activities		X	
I-15/Industrial Road Connection - construct direct connection from I-15 SB off-ramp at MP 8 to Industrial Road		X	
Indian Hills Drive - widen & improve to major collector standard		X	
3000 East - widen & improve to arterial standard from 2450 South to Price City Hills Road		X	
Sunset Boulevard - widen to 6 lanes entire length		X	
Little Valley Road - extend road & improve from 2450 South to Price City Hills Road		X	
Plantations Drive - construct new road from Sunbrook Drive to Dixie Drive		X	
Temple Trail Drive Phase 1 - Construct new road from Airport Road to Indian Hills Drive		X	
1800 North Bridge - construct new bridge over Sand Hollow wash		X	
1575 North Bridge - construct new bridge over Sand Hollow wash		X	
MP 5 (Dixie Drive) Interchange - construct new interchange & C-D roads to Bluff Street Interchange			X
Southern Parkway Phase 3 - widen to 4 lanes from I-15 to the replacement airport access road			X
2450 South - extend & improve road to Price City Hills Road			X
Temple Trail Drive Phase 2 - Construct new road from Indian Hills Drive to Dixie Drive			X
Great Northern Corridor - construct new road from I-15 at MP 13 to SR-18			X
Webb Hill Frontage Road - construct new road on east side of I-15 from MP 4 to MP 6			X
Hidden Valley Drive Frontage Road - construct new road on east side of I-15 from MP 2 to MP 4			X
Price City Hills Road Phase 1 - construct new road from 3000 East to River Road			X
Price City Hills Road Phase 2 - construct new road from River Road to Hidden Valley Drive			X
Horseman Park Road - extend road & improve from River Road to Price City Hills Road			X
1630 East - construct new road from 3950 South to Southern Parkway			X
Commerce Drive - extend road from 1630 East to Price City Hills Road			X
White Dome Frontage Road - construct new road from Southern Parkway to the replacement airport			X
Bloomington Hills/Riverside Drive Connection - construct new road to connect Bloomington Hills to Riverside Drive area			X
Western Corridor - extend/construct new 2 lane road from I-15 to St George/Santa Clara city limits			X
Sunbrook Drive - extend road to Western Corridor			X
Green Valley Drive - extend road to Western Corridor			X
Navajo Drive - extend road to Western Corridor			X
Man of War Road Overpass - construct new overpass over I-15 from Man of War Road to Hidden Valley Drive			X
